

How to Add the Blogger Publisher Plugin

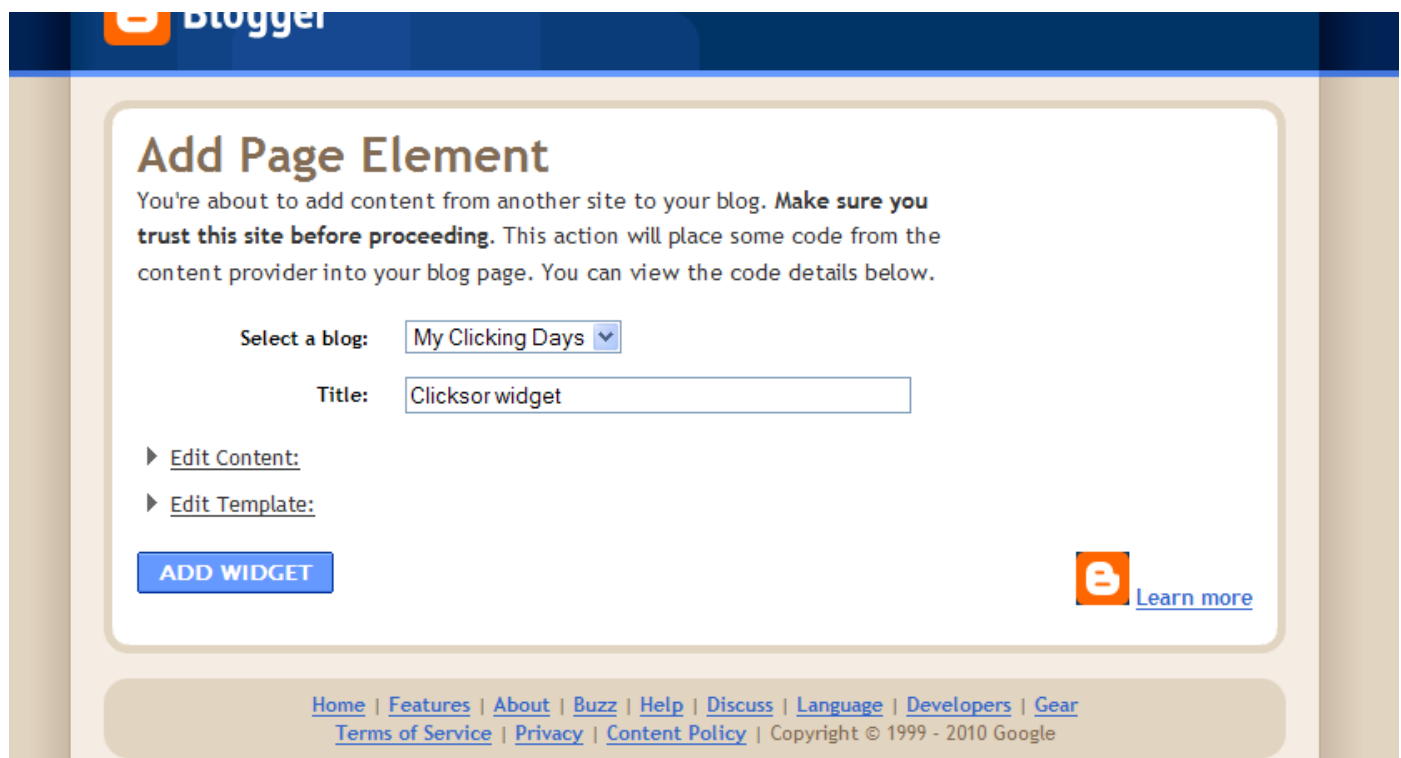

Blogger users can now easily add Clicksor's inline text ads and popunder ads to your blogs. Add inline text ads and popunder ads with just a couple of clicks. Follow these steps to smoothly add the Blogger Widget to your blog.

Step 1: Click on the Blogger Ad Widget link in your Publisher account.

- Clicking on it direct you to the Blogger login page. Login to your Blogger account.

Step 2: Add widget to your blog.

- Once you have logged in, you will be directed to the Add Page Element.
 1. Select the blog that you want to add this widget.
 2. Type in a name in the Title category.
 3. Click on Add Widget to add the Blogger Ad Widget to your site.

Congratulations! You have successfully added the widget to your Blogger.
