

# How to Add the Wordpress Publisher Plugin

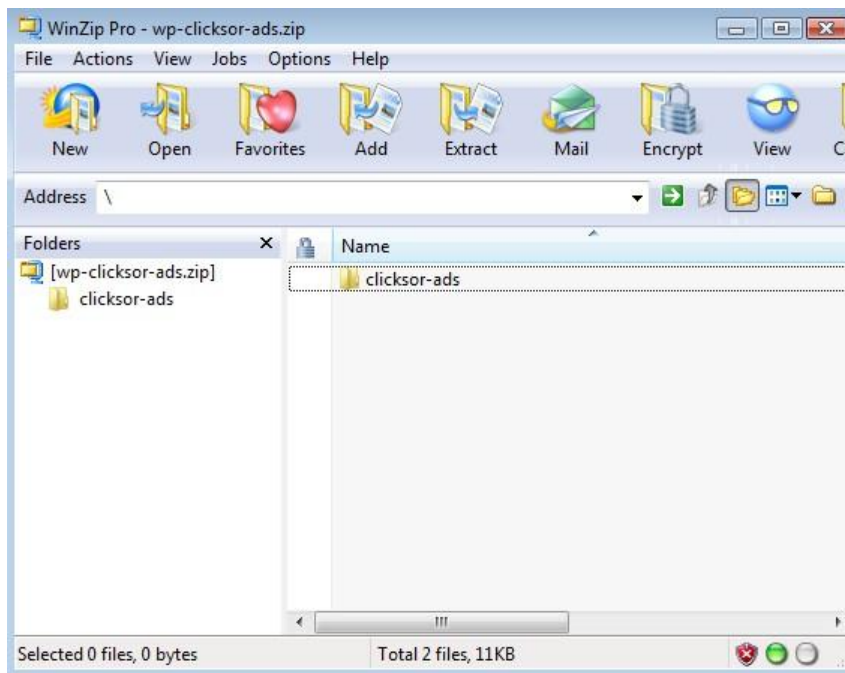

Integrating our Inline Text Ads and Popunder Ads has never been easier. With our Wordpress Plug-in, you can customize where you want to place ads yourself.

Get ready for an increase in income. With Clicksor's Wordpress Plug-in, you can:

- **Add Clicksor tag to all your pages in one click.**
- **Determine when ads will begin appearing on new posts- you can choose to block ads for a particular number of days.**
- **Determine if ads will appear only on posts, only on comments or on both.**
- **Choose to enable or disable Clicksor ads from within your post editor.**

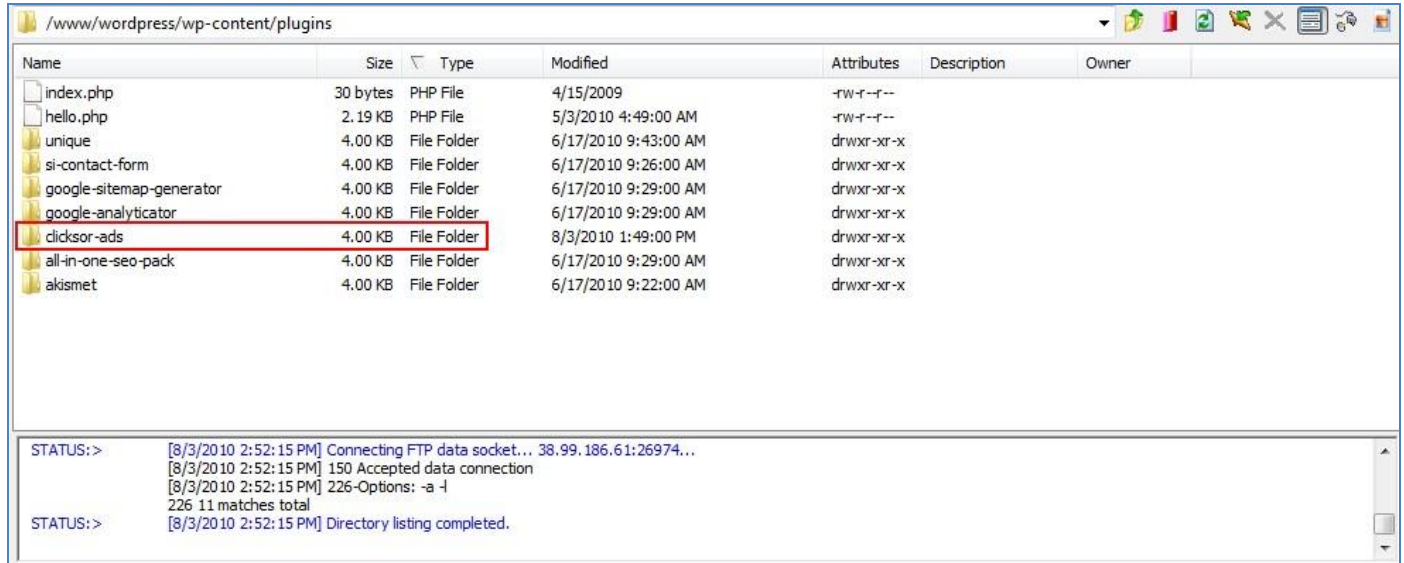

Once you have downloaded the Wordpress plugin file from your Publisher account, add the Wordpress plugin to your account by following these 4 steps.

## Step 1: Extract wp-clicksor-ads.zip

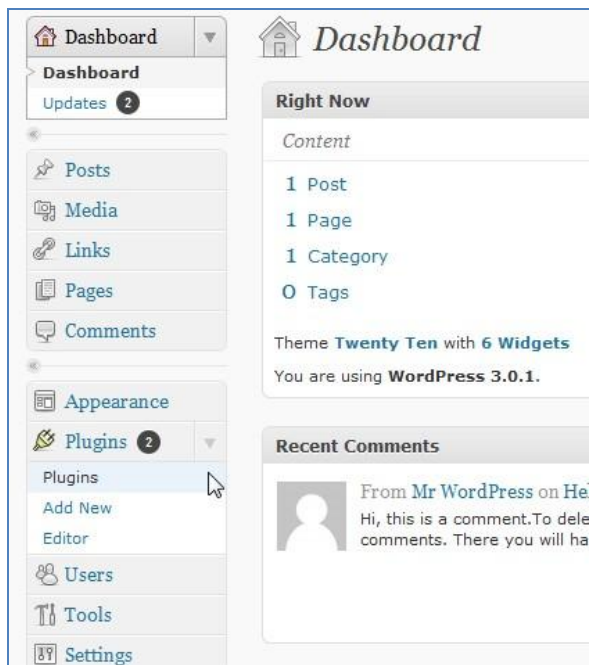

## Step2: Upload to the path: wp-content/plugins

1. Open the ftp program like Smartftp, cuteFTP, etc.
2. Upload the folder “Clicksor-ads” to the path: wp-content/plugins

## Step 3: Activate the plugin

1. Login to your Wordpress admin area like (<http://www.domain.com/wp-admin>)
2. Click the “Plugins” link located in the Dashboard.

3. Click “Activate” under the Clicksor Ads section.

The screenshot shows the WordPress Plugins management interface. On the left is a sidebar with navigation options: Dashboard, Posts, Media, Links, Pages, Comments, Appearance, Plugins (2), and Users. The main content area is titled 'Plugins' and includes an 'Add New' button. Below the title, it shows 'All (8) | Inactive (8) | Upgrade Available (2)'. There is a 'Bulk Actions' dropdown menu and an 'Apply' button. A table lists installed plugins:

Plugin	Description
<input type="checkbox"/> Akismet	Akismet checks your comments against the Akismet web service to see if they look like spam or not. You need an API key to use it. You can review the spam it catches under "Comments." To show off your Akismet stats just put <code>&lt;?php akismet_counter(); &gt;</code> in your template. See also: WP Stats plugin. <input type="checkbox"/> All in One SEO Pack	Out-of-the-box SEO for your Wordpress blog. Options configuration panel   Upgrade to Pro Version   Donate   Support   Amazon Wishlist Version 1.6.11   By Michael Torbert   Visit plugin site
<b>There is a new version of All in One SEO Pack available. View version 1.6.12.1 Details or upgrade automatically.</b>	
<input type="checkbox"/> Clicksor Ads	Use this plugin to earn money by showing clicksor.com ads Version 1.0   By Clicksor Publisher Team   Visit plugin site

The 'Activate' button for the 'Clicksor Ads' plugin is highlighted with a red rectangular box.

#### Step 4: Fill account information

1. After you have activated the plugin , you will see the following notice:

The screenshot shows the WordPress Plugins page after activation. At the top, a yellow banner reads 'Plugin activated.'. Below it, a red banner displays an error message: 'Clicksor ads is not active. You must [enter required account information](#) before it can work.' The 'Plugins' table is visible below, showing the 'Clicksor Ads' plugin with 'Settings' and 'Deactivate' buttons. The 'Activate' button is no longer present, indicating it has been successfully activated.

1. Click the link "enter required account information" and fill in your publisher ID and Site ID. Press "Update Options" button when you are finished.

## Clicksor Ads Options

**Clicksor ads is not active.** You must [enter required account information](#) before it can work.
